Subject: follow up to yesterday's meeting on Portland Harbor

Hi Jeremiah and Adrian,

I wanted to follow up on yesterday's meeting on Portland Harbor. We appreciated the opportunity to speak with your office, together with the State, regarding the progress being made at the site.

We want to ensure that we are responsive to any future inquiries your office may have, and we endeavor to keep you informed in a timely manner about ongoing activities at the site.

Please let me and/or Cindy Schuster in EPA's Region 10 office, know if you have any questions at any point.

Thank you,

Carolyn
